 # of \_\_\_\_\_ copie(s) Attestation of Plant Variety Listing  
 # of \_\_\_\_\_ copie(s) Attestation of Plant Breeders' Rights

## Explanatory Notes to the “Application Form for Admittance to the Cultivation Test for Turf Grasses” by the SFG mbH

### **Species:**

Please add the botanic name of the species.

### **Variety Denomination:**

In case the plant variety has already been registered or protected, please enter the variety denomination in this column.

### **Breeder’s Reference:**

Please enter the short denomination (breeder’s reference) used when originally filing the application for this plant variety at the German Plant Variety Office (Bundessortenamt, BSA), e.g. MW-96-102.

### **BSA Application-N°:**

If known at the time of application, please enter in this column the application number assigned by the Bundessortenamt to this plant variety.

### **National List/Plant Breeders’ Rights:**

If you wish to apply for a “Cultivation Trial for Turf Grasses” of a variety which has already been listed in an EU member state or which has been granted plant breeders’ rights in the EU (see “Rules on the Conduct of Cultivation Trials for Turf Grasses”, Sections 5 and 6), please enter the name of the respective Member State (MS) in form of the international country code for automobiles (e.g. NL = the Netherlands) as well as the year of listing/granting of PBRs.

### **Additional part-trials as home use, sports use, low-maintenance or close mowing:**

The part-trial for suitability as turf grass speciality is compulsory in the part-trials listed and marked (x) below. Additional special part-trials are optional.

**If you wish to include your variety into any voluntary part-trials, please tick the respective cases in the application form.**

Species	HU	SU	LM	CM	Amount of Seed needed (kg)
Agrostis species (bent grass - all types)	X		X	X	1.0
Deschampsia caespitosa (Tufted hair grass)	X	X			2.0
Festuca arundinacea (Tall fescue)	X	X			3.5
Festuca ovina (Sheeps fescue)	X		X		3.0
Festuca rubra rubra (Creeping red fescue)	X		X		3.3
Festuca rubra commutata (Chewings red fescue)	X		X	X	3.5
Festuca rubra trichophylla (Short creeping red fescue)	X		X	X	3.5
Koeleria macrantha (Crested hair grass)	X		X		2.0
Lolium perenne (Perennial ryegrass)	X	X	X		3.5
Phleum ssp. (Timothy - all types)	X	X			2.0
Poa pratensis (Kentucky blue grass)	X	X	X		3.0
Poa supina (Supina blue grass)	X	X		X	2.5
Poa ssp. (all other types)	X		X		2.5

Abbreviations:

HU = home use  
SU = sports use

LM = low-maintenance  
CM = close mowing
